Secretary's Report.

Lymm Cruising Club Rally – A donation of £25 has been received from the Organising Committee in recognition of our attendance at this event. A letter of thanks has also been received. Another anonymous donation of £40 has also been received from the boat owners associated with his event.

We have been invited to present a display of our models at an event to be organised by the Aviation Society to be held on Saturday 22nd August 2009 at the Aviation Viewing Park at Manchester Airport. The theme for the event is transport modelling to cover aircraft, vehicles and boats. At this time no commitment has been given for our attendance. Sufficient interest was expressed however by the members for us to attend and so a confirmatory response will be sent to the organisers.

Forthcoming Displays – Attendance sheets have been prepared for the following events:-

Cheshire Steam Fair (11/12th July 2009)

Woodvale International Air Rally (1st/2nd August 2009)

Runcorn Community Centre Fun day (8th August 2009)

A request was made for those persons who are able to attend to enter their names accordingly. Passes are required to be obtained for the Cheshire Steam Fair and Woodvale events and so an indication is required for the numbers attending.

DVD Library – A request was made for the return to Ken Brown of any DVD's whose return was well outstanding so that they may be issued to other Members.

The meeting then proceeded with a Hot Pot supper provided by the Community Centre staff. During the meal a quiz was held, ably organised and compared by Arthur Taylor on the subject of general knowledge. Our sincere thanks must be recorded to Arthur for the effort they had obviously gone to in organising this part of the evening.

Upon completion of these presentations the meeting was closed.
